CONDITIONS OF SALE.

Please read Sale Terms Before Bidding.

This is a bona-fide public sale, for prompt cash settlement, and irresponsible persons who are not sure whether they can pay for what they bid on, are asked not to bid. The cataloguer has taken special pains to describe each lot accurately. Errors will be corrected, but he reserves the sole right to decide upon any claims. No corrections or refunds will be made, and no lots can be returned, unless the bidder submits his case in writing within 30 days of the date of the sale.

Coins and medals are sold at so much per PIECE, and no lot will be separated. You cannot buy a few pieces out of a lot but must buy all of it. The auctioneer will accept no bid under 10 cents to start a lot where that lot contains only one piece; nor will he accept any advance under 5c on any lot containing but one piece; after the price has reached \$2. no advance under 10c will be accepted on any lot containing one piece; after \$5.00 the bid must advance 25c each time; after \$10 no bid under 50c.

Our rules regarding lots containing more than one piece will remain unchanged and the same as before.

Auction sales are strictly for cash. Parties unknown to me and bidding for the first time, must give bank or other reliable reference, or their bids will not be executed.

Forward your bids as early as possible, as thousands of bids have to be entered. Do not make ridiculously low bids, such as 10c. and 15c. on foreign silver coins worth several times over as bullion. Write your bids plainly, with a pen if practicable.

Where the number of pieces in a lot is not given after the description there is but one piece in the lot.

Be sure you bid on the lot you wish to buy. We cannot correct such errors.

All coins, etc., are genuine unless otherwise described.

A charge of 5% will be made to cover packing but where the parcel is bulky an additional packing charge will be made. No charge made for bidding except for lots actually purchased. Remit by money order or New York draft.

If any further information is required as to valuation of lots, or how to bid, please write the cataloguer, THOMAS L. ELDER.

Important Notice. We keep two books of the sale recording each lot as sold, and we will not accept any sale records from outsiders. Our records are final.

THE GALA JULY COIN SALE

THE D. R. KENNEDY, OSSIAN HAGEMANN AND OTHER COLLECTIONS

Dear Customers:

Our Present Sale, our last of the summer season, presents a long line of very interesting offerings of a wide variety of materials from all periods, B. C. 500 to date. Roughly the consignments are those of the late **Daniel R. Kennedy**, **Ossian Hagemann**, of California, **Mrs. G**, a **Sicilian Collector**, and others. There are perhaps a dozen consignors. The sale is strong in Rare American Paper Money. Exceedingly rare Connecticut Continental Notes, Confederate, Broken Bank and other notes. There is a long line of Ancient coins in Gold, Electrum, Silver and Bronze. As we were closing the catalog in came a collection of over a hundred ancient silver coins, including about 40 Greek silver, many of the coins of Syracuse, Corinth, etc. There are rare coins in gold from Macedon and Rome. There is an Egyptian double stater of Ptolemy 1st and 2nd in extremely fine state, Rare Half Staters of Carthage and many other items of interest, and a number we have never offered before in these sales.

In Fine Foreign Silver we present the thaler of Tyrol, 1486, and many fine coins of Eric XIV, Gustavus Vasa, Gustavus Adolphus, Christina and other rulers of Sweden in Silver, and three very fine varieties of Plate Money. There are also a wide assortment of medals, Tokens, Hard Times Tokens, Masonic Medals and Tokens, as well as Fine U. S. Silver and Minor Coins. Large and Small Cent Collections, Half Cents, Numismatic Club Medals of Messrs. Heaton, Boyd and Smith, including a muling of the Boyd and Smith medal in silver, never offered before, and about unique. There are Chinese Coins in silver and a Rare Chinese Decoration, New Issues of Foreign Coins, Dimes, Half Dimes, Three Cents, Two Cents and small Cents, with mint-marks. There is a small lot of U. S. Mint-marked gold. A large collection of War Medals and Decorations dating from Napoleon's War to the last are offered. Rare Peninsular and Canadian Issues included. There are a few early U. S. Half Eagles of the United States. Some Gems, Curios, Stone Relics, Stamps, etc, add to the variety of the offerings.

The sale will be held on **Wednesday and Thursday, July first and second**. In order that we may complete the sessions in good season the sale will be started promptly at one o'clock P. M.

As we are sending out 1750 copies of this sale catalog, more than we ever sent out before, and hope and believe it will be a good success, with a good attendance. Attend in person and do your own bidding if practicable.

Mr. Elder will tender an informal dinner to all bidders attending the first session, on Wednesday, July first, after the end of the session. New York is the best vacation city in the country today and comfortable in summer, with its ocean breezes, and there is no city in the land which provides such sources of entertainment. So arrange to attend the sale and enjoy the fun.

Please see that you secure a copy of the catalog. If it does not reach you by the middle of June write us for another copy.

New bidders will kindly read our sale terms and forward to us either gilt-edge references or else a cash deposit of 25% of their bids. We don't charge anything unless lots are secured at the sale.

Mr. Elder will gladly inform any bidders as to the value of any lot in the sale. Write him if in doubt about the value of any lots.

Go carefully over this catalog. It will pay you to do so and we are sure will reveal some lots you would like to secure for your collections. There are many dealers lots, and one of the largest lots of Greek Silver and Roman Coins we have ever offered. Send in your bids early.

Dont miss it. You cannot afford to.
